Placement

An Enroller has the month of the enrollment and the next to place personally enrolled Consultants within his/her team. Placement allows the Enroller to create momentum by strategically connecting team members. Once a Consultant has been placed, the placement is permanent.

Caution

Placing someone from your first level to a different level may reduce your income and impact your Rank qualifications. Use care when considering this option.

Request placement at any time but moves are only made after bonuses are paid on the 10th of each month to ensure the integrity of the payment structure when bonuses were earned.

CONSULTANT BENEFITS PLAN

I. WITH ALL OF IT, ENGAGE GLOBAL IS REDEFINING HOME-BASED BUSINESS FOREVER

Take everything you know about making money at home and toss it out the window. We offer a way for every person who joins us to make considerably more than they spend. We are leading an evolution that will become a revolution where the average person can enjoy an extraordinary opportunity with real income potential because of products without parallel.

II. YOU CAN HAVE IT ALL

Start by making ALL OF IT. By that, we mean every penny your Customer spends on their first product order up to a maximum of \$250. To earn the ALL OF IT BONUS, your customer must place their first order and set up an ECO (Engage Convenience Order) to process within 30 days. While the maximum ALL OF IT BONUS you can earn from a customer is \$250, the actual bonus earned cannot exceed the amount of the ECO the customer selects. Should the first order amount exceed \$250 or when an ECO is not selected, a 20% Direct Bonus is paid. All OF IT BONUSES and Direct Bonuses are calculated each Wednesday and paid each Thursday by midnight MST.

Earn a 20% Direct Bonus on the first order placed by each new consultant. No ECO is required.

III. DEVELOP CUSTOMERS AND KEEP ECO REWARDS ROLLING IN LIKE THUNDER

To support the unprecedented power of All of it, we have designed a motivating system of rewards that allows you to earn up to 30% of repeating Customer ECOs every month. Retail Customer orders are added to ECOs for compensation purposes. As part of this critical part of our plan, earn one-time bonuses for advancing in the Customer Development Ranks. Help others build Customers and earn a Mentor bonus when they advance in Rank.

IV. TURBO-CHARGE YOUR TEAM DEVELOPMENT REWARDS

Develop a team of Consultants who want All of It and leverage their efforts to earn far-reaching residual rewards. While many compensation plans reward you from person to person, engage global rewards you from organization to organization. It's really the difference between paying you on each person that sits in the first 8 rows of a movie auditorium and paying you on all the sales generated by 8 auditoriums... EVERY MONTH!

V. MATCH TEAM DEVELOPMENT REWARDS FROM YOUR TOP LEADERS

Develop leaders who grasp the power of All of it and share their success.

VI. EARN EXTRA WHEN YOU HIT IMPORTANT MILESTONES

As your business grows, we celebrate your success with exciting Rank Advancement Bonuses. Over \$68,450 has your name on it! Just go to work and claim your prize!

VII. MENTOR YOUR TEAMMATES AND GET PAID WHEN THEY ADVANCE

Be there for your team and when they succeed and grow by advancing, you are also rewarded.

VIII. THINK INFINITY

Perhaps one of the most exciting features of the Engage Global Benefits Plan is the opportunity to earn something from every single person who ever joins your marketing team without being blocked.

IX. BEYOND INFINITY

Earn extra rewards like a \$20,000 trip to your destination of choice, Luis Vuitton Luggage, World-Class Recognition and much, much more as you build your team, develop your business and create a legacy of success.

Live life. All of it.
